Email Address (use block capitals)

Do you wish your name, address and email details to appear on the membership list distributed to members. This enables you and other members to make contact with each other to correspond to exchange information. **YES NO** (delete as applicable).

From time to time, the Society sends out communications other than Journal (e.g. AGM agenda and reports, membership renewal). If you have chosen printed and posted Journal, would you like to receive these communications by email rather than printed? **YES NO** (delete as applicable).

The Society maintains a database of members names, address and email for the sole purpose of mailing Journal and other Society material and communications.
